Join us to discover how our Early Years programmes can support you and your setting.

Discover practical funded support to help your early years setting thrive.

Join us online for a friendly, practical information session for early years settings across Staffordshire and Stoke-on-Trent. Learn how our Early Years Stronger Practice Advisers (EYSPAs) and Early Years Learning Leads (EYLLs) can support you, your team, and your setting.

What you'll discover

- Tailored support through the Early Years Stronger Practice Adviser programme
- Evidence-informed approaches that can make a real difference for children
- How to access support and get involved
- Practical ideas to strengthen Personal, Social and Emotional Development (PSED), early language and communication, and early mathematics
- Free professional development led by Early Years Learning Leads

Who is it for?

Early years practitioners, room leaders, SENCOs, managers and leaders committed to strengthening practice and improving outcomes for children from birth to 5.

Why join us?

Explore fully-funded support, grow your practice, connect with colleagues and ask your questions.
