PSED

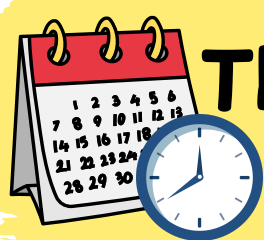

DfE Training Launch

with Alex Wood

FULLY-
FUNDED
EVIDENCE-
BASED

Join us on one of the following dates to find out more about this fully funded PSED training for childminders, nurseries and early years settings.

Thursday 15th October
15:15 - 15:45

OR

Friday 16th October
08:00 - 08:30

This training includes:

This training includes face to face and virtual sessions with self-led learning over one term.

Establish and explore the stages of children's personal, social and emotional development

Discuss the importance of effective relationships

Explore factors affecting behaviour

Understand self-regulation and its role in children's development

The Department for Education (DfE) is working with Early Years experts to develop brand new Early Years Stronger Practice Continuing Professional Development (CPD) modules for educators working with babies and young children. We recognise that early years educators working with babies and young children require specialist knowledge to support children's learning in key areas of their development; these modules will specifically focus on supporting PSED.
