

Childminder Update Autumn 1

Ofsted Toolkit

This new Ofsted toolkit provides essential guidelines for childminders to enhance their professional practices and compliance.

Ofsted Operating Guide

This guidance sets out how inspectors should carry out inspections of registered early years (EY) settings.

Ofsted Education Inspection Framework Webinar

This webinar, presented by Ofsted, explains the renewed education inspection framework, which will come into effect in November 2025, specifically detailing how inspections of childminders will be carried out.

Statutory Updates

Recent updates to the statutory framework ensure that childminders align with current standards and **best practices**.
