

Confidence, Quality, Care Childminder Conference

CONFERENCE
2026
BROOMFIELD HALL

A fun and practical day, full of top tips and ideas about how to plan motivating ways to support children's learning in all environments.

Join us for our 2026 Childminder conference!

We are excited to invite childminders across Derbyshire & Nottinghamshire to this fully-funded event, where we will be joined by the fabulous **Alice Sharp**, alongside our very own **Sarah Smith** and **Kate Cox**.

We have a fun and practical day planned, full of top tips and ideas about how to plan motivating ways to support children's learning in all environments. Work with Kate to learn about how to support early maths through outdoor play. Work with Sarah to consider lots of fun ways to support early literacy indoors. Finally, spend time with Alice as she shares her ideas about the ways in which malleable play can support children's development.

Be sure to book on soon, and come prepared whatever the weather, as you will definitely be spending some time outdoors getting stuck in!

Refreshments & Lunch is also provided, free of charge.

Book your place today to avoid disappointment
