Beyond the Framework: Creating a Curriculum with Purpose

We are excited to invite childminders across Derbyshire & Nottinghamshire to this fully-funded event!

The day will begin with an inspiring keynote from our Hub Partner, Kate Cox, exploring Creating a Curriculum with Purpose. Together, we'll reflect on how our vision, values and beliefs shape a curriculum that enables every child to feel seen, valued and inspired.

Delegates will then take part in three interactive round-robin workshops, led by our Early Years Learning Leads, focusing on:

♥ Personal, Social and Emotional Development (PSED)

💬 Communication and Language

1 2 3 4 Mathematics

Leave with practical ideas, fresh inspiration and strategies to take straight back to your setting.

Refreshments & Lunch is also provided, free of charge.
