A Warm Welcome

My name is Claire Rigden, and I am the Early Years Learning Lead (EYLL) for Personal, Social and Emotional Development for Childhaven Stronger Practice Hub.

My role is to support early years educators to strengthen their practice through high-quality CPD and bespoke support. I want to help equip early years practitioners with the skills they need so that every child can find their voice and thrive in life.

I am also the Headteacher of York's only Maintained Nursery School and part of the Experts at Hand model for York.
Feel free to email me with any questions about the programme!
