

## Playdough Recipe!

### You will need:

- A large mixing bowl
- tablespoons or wooden spoons
- Cup or jug
- Salt
- Flour (plain or self raising)
- Oil
- Water
- Food colouring/scents/herbs of your choice.

## Method:

Talk together about the colour or scent you would like for your dough...

- In your bowl add 1 cup of salt & 2 cups of flour then stir.
- Next add 1 tbsp of oil and a small amount of water then mix together.

A little tip! - Add more water if the dough is not combined or more flour if the dough is still sticky.

Once all combined you can enjoy your dough...
