**Amazing Babies**

**25/01/2024 130 - 330pm**

- For practitioners working with under two-year-olds to increase their knowledge of children of this age's development and how they can support them in the learning process.
- During the course the delegates will explore baby development and consider the ways in which babies learn.
- The course will consider an appropriate environment for babies to enable their learning and look at the adult role on supporting progress in their development.

**Developing your leadership in an**

**Early Years PVI setting**

**01/02/2024 7pm - 9pm**

- For Early Years leaders and managers who want to develop their leadership and management skills.
- Each session will explore: identifying and organising key priorities across the year developing the confidence, skills, and strategies to lead and inspire your team effectively strengthening reflective practice for yourself and others.
- As a result of attending, delegates should: develop an overview of the leadership role across the year gain increased awareness of self-evaluation strategies develop confidence to lead and motivate others

**Incredible Two-year-olds!**

**22/02/2024 130 - 330pm**

- To support practitioners working with two-year-olds to increase their knowledge of children of this age's development and how they can support them in the learning process.
- During the course the delegates will explore two-year-olds development and consider the ways in which they learn.

- The course will consider an appropriate environment for two-year-olds to enable their learning and look at the adult role on supporting progress in their development.
- The course will look at heuristic play and schemas.
- As a result of attending, delegates should: be confident and have an understanding of how two-year-olds develop have an improved knowledge on how to support their development understand the adult role when working with two-year-olds understand schema and how to consider them when planning for children.

**Securing a good inspection outcome for  
Early Years settings and Childminders**

21/03/2024 7pm - 9pm

- Recommended for all EYFS managers, practitioners and childminders who want to ensure they are prepared and ready for an Early Years Ofsted Inspection
- This course aims to support in the self-evaluation and action planning process and is intended for childminders and Early Years settings
- The topics covered include: why only good or better is good enough for children in the EYFS; judgements made by inspectors, exploring the Early Years Inspection Handbook;
- As a result of attending, delegates should: Understand why only good or better is good enough for children in the EYFS; Have gained a clear understanding of what is a good judgement in an Ofsted inspection key drivers for improvement and how to relates these to your own setting; how to plan, deliver and evaluate improvements; outcomes for children narrowing the attainment gap and providers' role in this, challenging more able children, monitoring and identifying weaknesses; makes a setting good; Recognise where your provision is in relation to current inspection
